Data Controller

The data controller is *Alumat srl*, with registered office in *Via Lisbona, 9 - 24040 Ciserano (BG) – Italy*.

Place Where Data Is Processed

The processing operations related to the web-based services that are made available via this website are carried out at the aforementioned office of Alumat S.r.l exclusively by technical staff in charge of said processing.

No data resulting from web-based services is either communicated or disseminated.

Any personal data that is provided by users requesting to be sent information materials such as newsletters, answers to questions, etc. is only used to provide the service and/or discharge the tasks requested and is NOT disclosed to third parties.

Categories of Processed Data

Navigation Data

The information systems and software procedures relied upon to operate this web site acquire personal data as part of their standard functioning; the transmission of such data is an inherent feature of Internet communication protocols.

Such information is not collected in order to relate it to identified data subjects, however it might allow user identification per se after being processed and matched with data held by third parties.

This data category includes IP addresses and/or the domain names of the computers used by any user connecting with this web site, the URI (Uniform Resource Identifier) addresses of the requested resources, the time of such requests, the method used for submitting a given request to the server, returned file size, a numerical code relating to server response status (successfully performed, error, etc.), and other parameters related to the user's operating system and computer environment.

These data are only used to extract anonymous statistical information on website use as well as to check its functioning; they are erased immediately after being processed. The data might be used to establish liability in case computer crimes are committed against the website; except for this circumstance, any data on web contacts is currently not retained.

Data Provided Voluntarily by Users

Sending e-mail messages to the addresses mentioned on this website, which is done on the basis of a freely chosen, explicit, and voluntary option, entails acquisition of the sender's address, which is necessary in order to reply to

any request, as well as of such additional personal data as is contained in the message(s).

Cookies

No personal data concerning users is acquired by the website in this regard.

No cookies are used to transmit personal information, nor are so-called persistent cookies or user tracking systems implemented.

Use of the so-called session cookies – which are not stored permanently on the user's computer and disappear upon closing the browser – is exclusively limited to the transmission of session ID's – consisting of server-generated casual numbers – as necessary to allow secure, effective navigation.

The so-called session cookies used by this website make it unnecessary to implement other computer techniques that are potentially detrimental to the confidentiality of user navigation, whilst they do not allow acquiring the user's personal identification data.

Optional Data Provision

Subject to the specifications made with regard to navigation data, users are free to provide the personal data referred to in contacting the Office to request delivery of information materials and other communications.

Processing Arrangements

Personal data is processed with automated means for no longer than is necessary to achieve the purposes for which it has been collected.

Specific security measures are implemented to prevent the data from being lost, used unlawfully and/or inappropriately, and accessed without authorization.

Data Subjects' Rights

Data subjects are entitled at any time to obtain confirmation of the existence of personal data concerning them and be informed of their contents and origin, verify their accuracy, or else request that such data be supplemented, updated or rectified (**Section 7 of Legislative Decree no. 196/2003**).

The above Section also provides for the right to request erasure, anonymization or blocking of any data that is processed in breach of the law as well as to object in all cases, on legitimate grounds, to processing of the data.

All requests should be emailed to info@alumat.it or alternatively to:

Alumat srl - Via Lisbona 9, 24040 Ciserano BG – Italy.

All efforts will be made to ensure the highest interoperability between the functions of this site and the automatic privacy verification mechanisms that are made available by some software products applied by users.
