

TOUCH THE HEART OF EXTRUSION

# IF YOU ARE A EXTRUDER

CHOOSE THANGO® NOW AND START:

- ✓ **Sharing die designs, correction feedbacks, die trials photos and videos,** and related documents.
- ✓ **Eliminating** die and profiles **paper archives**
- ✓ **Reducing die knock-off and trials in press**
- ✓ Obtaining **fast and efficient remote correction** support on behalf of your die maker when you need it, without waiting for his next visit and avoiding inefficiencies due to fax and phone communication

All your dies suppliers can access Thango® because it is built in a safe and secure way that protects everybody's data!
